It is our belief that the interest earned on a family's contribution to the Passport to Israel program must be reported to the Internal Revenue Service, because it may be considered taxable income. The Jewish Federation of St. Louis will report this accumulated interest on a family's contribution to the IRS on Form 1099 at the end of the year during which Passport to Israel funds are used for an Israel Program. Please indicate the person to be named on the 1099 report to the IRS, giving name, address, and social security number. **We cannot issue your check without this information.**
