Dreidle Game

Materials needed for 2-4 players:

- 1 die
- 1 pawn per player
- 1 box of toothpicks (about 250)

To Play:

Give each player 10 toothpicks. Put 10 toothpicks in the GELT POT. The remaining box of toothpicks becomes the BANK. Whenever the GELT POT is empty, refill it with 10 more toothpicks from the BANK. If a player runs out of toothpicks, the player may borrow ten at a time from the BANK. Players take turns rolling the die and moving around the dreidle path two times before going to the END. Play ends when the first player reaches the END.
