FOUNDATIONS OF JEWISH FAMILY LIVING

Values for Jewish Parents to Share with Their Children

What do you want to teach your child about being Jewish?

Foundations of Jewish Family Living is a NEW curriculum for parents that provides a thought-provoking encounter with the core values of Judaism. Developed by the renowned Florence Melton Adult Mini-School, a project of the Hebrew University of Jerusalem, the curriculum brings to life the master stories from our tradition and the profound messages they convey.

This rich learning experience for adults will provide an opportunity for you to bring the Jewish conversation home to share with your young child. At a time in your family's life when your child is beginning his or her own Jewish education, **Foundations of Jewish Family Living** provides you with the learning, the language, and the confidence to be a teacher to your own children. **No homework. No grades. Know Judaism.**
