

Look Alike Letter-Vowel Game

Game Directions

Material needed:

- One 8 1/2" x 11" sheet per player with the 28 lines of letter/vowel sounds
- 1 set of Look-Alike card strips
- 1 game board with stars (optional if students are just reading or playing classroom Tic-Tac-Toe)

Tic-Tac-Toe (Classroom)

Draw a Tic-Tac-Toe grid on the blackboard or paper. Shuffle the card strips and have the player/team with "X" start by reading the top card strip. The player/players on the "O" team tell the "X" team player if he/she is correct. If the player/team is correct, the player puts an "X" in a square on the playing board. Play passes to the other player/team whether or not the player is correct. Play continues until the player/team has three "X"s or "O"s in a row (horizontally, vertically, diagonally) or until all of the squares are filled (*cat's game*).

Using A Game Board (with stars)

Divide class into groups of 2-4 students per game board. The players take turns rolling the die and moving his/her pawn. If the reader lands on a star, the reader takes a card strip and reads it to the other players. If the reader is correct, the reader remains on the star. If the reader makes a mistake, the reader moves back to the space he/she just came from. All players should finish to determine who is first, second, etc. winner.
