

SHABBAT WORD GAME

Object of the Game: To review Shabbat Hebrew words.

Materials Needed:

- 1 Game board
- 1 Die
- 4 Pawns (one for each player)
- 1 pencil per player
- 1 "Shabbat Word List" per player (copy and cut out lists on back of file folder)

Playing Directions: Review the Hebrew vocabulary words used in this game before playing the game. "Shabbat Vocabulary List" is on the back of file folder game. Each player gets one Word List, pawn and a pencil. To begin the game, each player places his/her pawn on any word and crosses out that word on his/her Word List. Players then take turns rolling the die, moving along the path in any direction, and crossing out the word he/she lands on. A player cannot go back and forth on the same turn.

Winner: First player to cross out all the words on his/her list.

Shabbat Word Game Assembly Directions

1. Use a manila file folder or a 12" x 18" piece of construction paper folded in half.
2. **Title page:** Cut the white strip off around the blue border if you use a file folder. Glue the title page on the front of the file folder with a glue stick or rubber cement.
3. **Inside folder:** Glue the *Shabbat Word Game* game board inside the folder on the right-hand side.
4. **Back of folder:** Glue the *Shabbat Word List* sheet on the back of the folder. Do not cut this sheet apart. Make copies of the sheet by placing the back of the folder on a copier.
5. **Laminate** the file folder to preserve the game.
