

Journey to The Promised Land

OBJECT OF THE GAME: To leave Egypt with Moses and the Israelites and go to The Promised Land.

MATERIALS NEEDED: 1 game board
1 set of GAME CARDS
1 pawn per player
1 die

TO PLAY: Each player selects a pawn and places it on EGYPT (Start). The players take turns rolling the die and moving the number of spaces indicated. If a player lands on a "TAKE A CARD" space, the player takes the top card from the pile of cards and follows the directions on the card. After all the cards are turned over, shuffle the deck of cards and continue playing. If a player lands on "DETOUR #1" or "DETOUR #2," the player must take the detour. The first player to reach "THE PROMISED LAND" is the winner.

Assembly Directions for Journey To The Promised Land

Print game sheets on copy paper. Print game cards on index/card stock. Cut around the inside edge of the dotted border and glue playing directions on the front of a file folder or on a 11" x 17" piece of construction paper folded in half. Cut off dotted line strips on the two game board sheets and glue the sheets inside of the file folder or folded construction paper. *Leave a small space between the two inside sheets so the game board will fold.* Laminate the game board and cards. Trim the laminate and cut the laminated cards apart.
